**Internal Quality Assurance Cell 2020-2021**

Summary Report

IQAC of college is functional with formation as per NAAC Guidelines. Throughout the year, there are various activities conducted through IQAC Initiatives. The five-point target for the year 2020-2021 was:

1. To create awareness regarding Covid-19 Pandemic.
2. To promote Research
3. To undertake Quality Initiatives such as various Audits.
4. Women Empowerment programs
5. Focused Career Guidance

Taking the Pandemic situation into consideration, IQAC made efforts to organize programs towards Awareness of Covid-19 Pandemic. Simultaneously, the faculty were promoted to attend online seminar, presentation of research papers, help for organizing online seminar.

College organized one mission for nearby villages where students come to college. All students were guided and supported to create awareness in the villagers. Some groups were formed under the supervision of faculty. Students were made people aware regarding 'Stay home, Use of masks, Hand washing and Sanitization'. Beside this some of our students were involved as volunteers in local covid-19 awareness work conducted by Grampanchayat, Primary Health Centers. These students were felicitated for this participation.

The College organized qualitative enhancement programs for the students through IQAC. In this area, a lecture on Corona Pandemic was arranged on 12th Jan. 2021. Under lead college activity, Dept. of Commerce organized a lecture of Dr. Gorakh Mandrupkar, on Corona Pandemic situation. He spoke on prevention methods of corona, as well as he focused on contributory work nature to be introduced by youths in corona prevention movement.

In the period of Pandemic, the research opportunities through Webinars and Conferences through virtual platform were largely available. Many of the faculty members attended them to update knowledge regarding use of ICT Tools, etc. one of them attended a Faculty Development Program. (6.3.4.1.)

It was strictly observed that the college undergoes the Quality Measures such as AAA, Green Audit including Energy and Environmental Audits and Gender Audit, etc. the Audits have been performed under the supervision of the experts in the areas.

Health related campaigns for girls, Blood donation Camps, Distribution of Deworming tablets, were organized to take health care of the students.

Through the activity titled- Jayant Career Week- 2021- the lectures and activities were organized to introduce the students towards the new avenues of careers and the soft skills to update them for them.

IQAC monitored the activities to be performed during the period of Pandemic, Academic and Examinations in a smooth manner.
